- Meet with an Education Fund Career Counselor to determine eligibility for the program and get access to the online application
- Submit specific documents when completing the online application
-

Please note that the Tuition Support program is highly competitive, with limited spaces and acceptance isn't guaranteed.

- Verification of Program Enrollment (including program start and end date)
- Proof of first payment
- Proof of school accreditation (if required)
- If you are an on-call/per diem employee you must also provide documentation of your hours worked over the past six months

In order to apply for Tuition Reimbursement, you must submit a receipt showing you have already made at least one payment to your program. **Application fees are not considered a payment to the school.** This payment can be directly to your school (enrollment fee, tuition payment, etc.) or for official textbooks for your program.

Apply and Submit Required Documentation

After completing your Meet your Counselor Appointment to apply for the Tuition Support application, you will need to log into your MyEdFund portal. Follow the steps below:

- The Tuition Support option will appear under the "Available Programs" on the "Welcome" page of your MyEdFund portal.
- Click on "Apply" under Tuition Support to open the application
- You must have the required documents ready when you start the application:
 - Verification of Program Enrollment (including program start and end date)
 - Proof of first payment
 - Proof of school accreditation (if required)
 - If you are an on-call/per diem employee you must also provide documentation of your hours worked over the past six months.
- When answering the question regarding your end date determining your correct end date is very important. Please note the following:
 - Start and dates must be listed as follows: mm/dd/yyyy (start date: 01/15/2023, end date: 12/31/2024).
 - Some programs require a clinical rotation, externship, etc. that takes place AFTER your education program ends. You may include this in your end date if it has a set start and end date at the time of your application.
 - If your clinical, externship, etc. does NOT have a set start and end date at the time of your application (ie "must complete 400 hours within 6 months of completing course") then you CANNOT include this as your end date. In these cases, the program end date is the date the primary education program ends

You must answer all questions and upload all required documents when completing the online application. Please note the following:

- Incomplete applications (missing the school verification document, payment verification document, school accreditation document, or those not completely filled out) will not be considered
- Documents that are faxed to the Education Fund will not be accepted and your application will not be considered and no paper applications are available nor will they be accepted.

Please note: If your school **does not appear** in the dropdown menu of the application you will be required to list the school and provide Verification of School Accreditation. The verification document must include:

- The name of the accrediting agency
- That your school is accredited

The easiest way to find this information is to Google search your school name + the word "accreditation".

IMPORANT: All applicants will receive an Acceptance or Denial email within 10 – 14 business days of submitting their application.
